Important! Please indicate whether or not your swimmer(s) will be available to swim in the following meets by completing the section below for each swimmer. Although we will have a meet sign-up book for EVENT sign-up before each meet – this is the form that the coaches refer to during the season. Therefore, if your plans change, please be considerate of your fellow team mates and inform the coaches immediately. Thank you!

Simply place a “” for those meets that the swimmer **WILL BE** available to attend:
